SU LIBRARIES DONATION FORM

The SU Libraries welcome monetary donations of any size. You may donate to the SU Libraries in general or for specific purposes. Unless you designate otherwise, your donation will be used to support the Libraries, including the acquisition of books or other materials, technology, events, activities, and training. You may make a gift to enable us to purchase a book to honor or remember a faculty member, administrator or friend of the University; the suggested minimum donation for a tribute book is $50. Donations in honor or memory of others not affiliated with the University are also welcome.
