Prospective Teacher Candidate: \_\_\_\_\_

GullNet ID: \_\_\_\_\_

Advisor: \_\_\_\_\_

The prospective teacher candidate above has completed all PTEP requirements, including prerequisite coursework, satisfactory GPA, and passing scores on the PRAXIS Core.

The prospective teacher candidate should be offered provisional admission to the Elementary PTEP and be permitted to register for only Block A of methods.

The prospective teacher candidate will not be offered full admission to PTEP nor be permitted to enroll in additional methods blocks until the following science \_\_\_\_\_ or math \_\_\_\_\_ class is satisfactorily completed with a grade of "C" or better.

The prospective teacher candidate must be registered for the missing science or math course while taking Block A of methods.

Upon successful completion of this course, the prospective teacher candidate will be granted full admission to the PTEP. Provisional admission will be granted only once and will be in effect only during the \_\_\_\_\_ semester.

If the prospective teacher candidate does not successfully complete this course with a "C" or better, then the prospective teacher candidate will be dropped from methods until the course is successfully completed.
