

Provost's Announcements to the Faculty Senate October 26, 2021

- 1. Presidential Search:** As mentioned at the last FS meeting, University System of Maryland Chancellor Jay Perman has launched a search for SU's next President. Information about the search is available [here](#). Dr. Perman will host a campus town hall on 11/11/21 to take input on the qualities the campus seeks in its next president. **FS Action Requested: Happy to take any questions or feedback.**
- 2. Instructional efficiencies and planning for anticipated budget reductions:** Given the expected decline in revenues in the next few years, my team is carefully reviewing our expenses. We are working with the deans, Budget Office, and the new SU Brand: As noted in the 10/18 email from the Office of Strategic Planning, 'Make Tomorrow Yours' is the new brand representation for the University System of Maryland. We are working with a work by campus-wide team on this important part of our Strategy.
