Recommendation Adopt procedure to designate and confer a Distinguished Staff recognition program, similar to an “emeritus type” program typically conferred on retired faculty. The program procedures will be established such as approval, eligibility, termination of such rights and should be effective not later than June 30, 2022. This allows sufficient time for implementation of the program. (Rec) a procedurt ( T)2 dfl an an and ( ) cB4 (m)-(durt -t3)2 (0)2.1 ( p26 Tmtp .21 (Te> (r)-(m)-)5dfl)-1 2i>2 (3)2
